SR20 PREMIUM \$586,900

The 2021 SR20 Premium includes the **Digital 4-in-1 Standby Instrument**, providing backup altitude, airspeed, attitude, and slip/skid data in a format familiar to glass cockpit aviators. **12" screens** offer tremendous situational awareness and 35% more screen real estate over the standard 10" screens. **Active Traffic** interrogates nearby transponder-equipped aircraft and creates a 360° zone of detection and awareness around the aircraft and provides visual and ATC-like audio alerts to potential traffic hazards. **Remote keyless entry and interior/exterior ambient convenience lighting** ease evening preflights and the reimagined **Carbon, Platinum and Rhodium** design suites ensure that you'll arrive in comfort and style, no matter where your Cirrus takes you. Premium leather and bolstered seats maximize cruising comfort, and striking exterior designs reflect your personality on the ramp.

SR20 Premium Weight: 968 kg

C CARBON APPEARANCE

Inspired by the sharp lines seen on high-end sports cars, the Carbon Appearance design suite commands attention on the ground and in the air. Bold colorways complement exciting new exterior graphics and interior details such as jet black vents, carbon appearance instrument panel lobes and two-tone premium leather and Alcantara bolstered seats complete this exhilarating look.

Pt PLATINUM APPEARANCE

The Platinum Appearance design suite exudes quiet confidence. Fluid lines and a distinguished collection of exterior colors highlight this desirable option. Satin silver vents, a painted spinner and solid color premium leather bolstered seats provide the perfect finishing touches to complement this stylish aesthetic.

Rh RHODIUM APPEARANCE

Timeless and sophisticated, the Rhodium Appearance design suite defines modern luxury with iconic simplicity. Make your statement with a striking yet subtle exterior in one of two stunning metallic hues. Satin silver vents, a painted spinner and solid color premium leather bolstered seats provide the perfect finishing touches that complement this rich Cirrus style.

ADDITIONAL OPTIONS

AIR CONDITIONING \$29,900

Stay cool with this factory installed Air Conditioning System.
Weight Δ: 24.9 kg

Worldwide weather, satellite phone and text messaging through Iridium Communications, fully integrated for use with your cabin headphones, means you're always within reach.
Weight Δ: 2.7 kg

HARTZELL 3-BLADE LIGHTWEIGHT CARBON COMPOSITE PROP \$12,900

Significantly increase your SR20's useful load with the three-blade composite propeller.
Weight Δ: - 11.3 kg

LIGHTNING DETECTION \$12,900

Enhance weather awareness with instantaneous lightning information for all types of convective activity.
Weight Δ: 2.7 kg

DME \$12,900

Weight Δ: 1.8 kg

ADF \$8,900

Weight Δ: 4.1 kg

TANIS AVIONICS & ENGINE PRE-HEATER \$2,490

Guarantee your aircraft is ready for colder weather flying and maximize your engine life.
Weight Δ: 1.8 kg

THE INDIVIDUALIZED ART OF THE POSSIBLE

Cirrus owners already have an unparalleled appreciation for quality and performance. It's the reason Cirrus continues to be the world's best-selling airplane in its class. Now, Xi takes this one step further through individualization - by making you an integral part of the design team for your dream airplane.

A unique experience worthy of every flight you will make in your Cirrus, you will develop a personal working relationship with the Xi Team, working one-on-one to tailor your plane to your exact specifications and preferences for materials, colors, designs and more. With Xi, you define the art of the possible.

This brochure is based on 2021 aircraft specifications.

An order will be for a 2022 Model Year aircraft to be delivered in 2022 with 2022 Certificate of Airworthiness (C of A) and specifications but is written on a 2021 Purchase Agreement since Cirrus Aircraft has neither established nor published 2022 pricing.

While this is a non-refundable order, per our Terms and Conditions, if the price increase between 2021 and 2022 exceeds 5% of the published price of the GTS package (for SR22 or SR22T) or Premium package (for SR20) specification, compared year over year between 2021 and 2022, customer may either:

1. Adjust the specifications of the aircraft, based upon the 2022 pricing, to arrive at an acceptable specification and price.
2. Move the deposit funds to a new Cirrus aircraft order.
3. Request a refund of the deposit. (Request must be in writing. Email is acceptable)
